All along
 I tried to pretend it didn't matter
 If I was alone
 But deep down I know
 If you were gone
 For even a day I wouldn't know which way to turn
 Cause I'm lost without you.

I know it gets hard sometimes
 But I could never
 Leave your side
 No matter what I say

Cause if I wanted to go I would have gone by now,
 But I really need you near me to
 Keep my mind off the edge
 If I wanted to leave I would have left by now,
 But you're the only one that knows me
 Better than I know myself
