[Verse 2]

You took your time with the call,
I took no time with the fall
You gave me nothing at all,
but still, you're in my way

I beg, and borrow and steal
At first sight and it's real
I didn't know I would feel it,
but it's in my way

Your stare was holdin', Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where you think you're going, baby?

Hey, I just met you,
and this is crazy,
but here's my number,
so call me, maybe?

It's hard to look right,
at you baby,
but here's my number,
so call me, maybe?

Hey, I just met you,
and this is crazy,
but here's my number,
so call me, maybe?

And all the other boys,
try to chase me,
but here's my number,
so call me, maybe?

Before you came into my life
I missed you so bad
I missed you so bad
I missed you so, so bad
