C                      G                      D

Look for the girl      with the sun in her eyes and she's gone.  
Climb in the back      with your head in the clouds and you're gone.

G                      C                      D                      G                      C                      D

Lu - cy in the sky - with dia - monds,      Lu - cy in the sky - with dia - monds,

G                      C                      D                      1,2. D                      3. A

Lu - cy in the sky - with dia - monds.      Ah.
