*Additional Lyrics*

2. Somewhere in her smile she knows  
That I don't need no other lover.  
Something in her style that shows me.  
I don't want to leave her now,  
You know I believe and how.
3. Something in the way she knows,  
And all I have to do is think of her.  
Something in the things she shows me.  
I don't want to leave her now,  
You know I believe and how.
